

"MUDDY WATERS"

KANAGIO YACHT CLUB — NOVEMBER—DECEMBER 2018 ISSUE

As the KYC 85th Anniversary and 2018 come to an end, it is again time to honour those volunteers who gave of their time in order to guide the day to day operation of KYC. The general committee volunteers, those who lift boats, install docks in the spring and take them out in the fall, pump gas and generally help the club function.

The 2017/2018 Executive deserve our thanks for a job well done during a year in which many problems made for a trying period. Led by Commodore **Bill Graves**, thanks go out also to **Mike Blake** (Treasurer-retired), **Ken Borkwood** (Interim Treasurer) **Roy McKinley** (Past Commodore and Chair of the Advisory Board), **Kristi Metcalf** (Vice Commodore), **Lynn Sutherland** (Secretary), **Dave Courage** (Rear Commodore retired) **Mark Newsom** (Interim Rear Commodore) **Rick Banman** (Fleet Captain) and to Membership Chairman **Dennis Mighton** for managing to keep the membership full and **Joe Polisak** and his staff for keeping the boats gassed and ready to cruise.

Congratulations go out to **Kim Wood** the 2018 recipient of the **"Rex Rand Award"**.

DECORATING MEMBERS

2018 was a great year and I hope that 2019 and the Boating Season at Kanagio provides us with good health, calm seas, warm water, fun functions lots of laughs along with clear sunny skies.

I would like to thank members **PAT and DENNIS MIGHTON, RICK MORGAN, KELLY BLAKE, MIKE AND BRIAN KINGSWOOD, ELLA KYLE, RICK BANMAN, DEBBIE MCKINLEY and LYNN OLIVER** for providing me with additional photographs and comments for *Muddy Waters*.

I know that a number of KYC members have created a winter gathering spot in North Fort Myers, and will be working on their tan and boating skills there until spring arrives. **I hope that Tom (Hoggie) Hooghiem regains his health and is able to make the trip to KYC South in the new year.**

Donna and I will be spending time at the Number 1 Beach in the USA—**Siesta Key Beach**, Sarasota, or chasing a little white ball on the golf fairways. if you're in the area drop by.

To all have a safe and healthy winter and we we'll see you in the spring.

Brian and Donna
